

Texas Fence Association

“Our mission will always be to bring training, professionalism and credibility to the fence industry.”

Spring Meeting- March 8-9, 2018 La Toretta Lake Resort- Conroe, TX

On Friday night we had a fun St. Patty's Day themed dinner and everyone was decked out in their best green garb while the live band played. Thanks to Southwest Automated Security's sponsorship, we were able to offer CAGOI & CAGSD certification tests on Saturday morning, while other members enjoyed a round of golf. With help from Master Halco, we took over La Torretta's Sports Bar Saturday night to party at our crawfish boil. Lots of great memories were made!

Follow us on Facebook to stay up to date on events and other activities

Come be a part of our TFA family. 183 members strong!

Summer Meeting June 8-9, 2018

Join us at the Hilton Dallas/ Rockwall Lakefront for the meeting and dinner Friday night. Saturday will be filled with golf at the Buffalo Creek Golf Course and a catamaran cruise on the Seawolf that evening. Book your tickets soon before it sells out. Only 30 tickets available for the Seawolf cruise!

Membership in the AFA is truly a priceless commodity for anyone in the industry. If you value resources, discounts, and networking please join us!

We are a proud chapter of the American Fence Association.

Donations to Hurricane Harvey victims

Helping repair and rebuild lives for families and friends

As we all know, TFA members were hit hard by Hurricane Harvey. The Texas Fence Association wanted to help our members that were hit the hardest. We decided for our chapter project this year we would donate funds to help as many TFA members as possible who sustained major financial loss by this natural disaster.

Unfortunately we can not help everyone, so we created an application system to allow families to share with us their stories and amount of damages. After reviewing all applications at our last board meeting, we have selected four families to receive funds. We hope that all have recovered or are well on their way to recovery. You are in our thoughts and prayers.

College Scholarships

The Texas Fence Association is focused on providing scholarships to students who have an opportunity to go to college or to continue their education. In addition, the Texas Fence Association helps promote the American Fence Association’s scholarship opportunities and other continuing education programs.

This year we have selected three students who will each receive a \$1500 scholarship. Their names and universities will be published in our summer edition of the newsletter.

OFFICERS

- Sean Cooper- President
- Jesus Nieto- Vice President
