

# Texas Fence Association

“Our mission will always be to bring training, professionalism and credibility to the fence industry.”

## Summer Meeting- June 8-9 Rockwall, Texas

## Fall Meeting Sept. 21-22, 2018

Join us for our Casino Night at the Renaissance Dallas at Legacy West. Saturday we will host a golf fundraiser tournament at Frisco Lakes Golf Club.

6007 Legacy Drive  
Plano, TX 75024

7170 Anthem Drive  
Frisco, TX 75034

The weekend began with our quarterly meeting on Friday. AFA Executive Director, Tony Thornton, joined us to discuss chapter audits and working toward the AFA Certification week. Following our meeting, we had a wonderful fiesta fajita dinner complete with a live band for dancing. It was a great turnout! We were able to offer CAGOI & CAGSD certification tests on Saturday morning. In the evening we embarked on a sunset catamaran cruise sponsored by Binford Supply complete with cocktails.

Membership in the AFA is truly a priceless commodity for anyone in the industry. If you value resources, discounts, and networking please join us!

We are a **proud** chapter of the American Fence Association.

## Additional donations to Hurricane Harvey victims

We at the TFA were so blessed to be able to donate additional funds to families affected by the catastrophe of hurricane Harvey. The board voted to allocate more funds to several families to try and help them continue the rebuilding process. Our total gift allocations to these families was \$11,000. We hope that this additional gift will aid families to get back on their feet and continue putting their lives back together.

## College Scholarships

The Texas Fence Association is focused on providing scholarships to students who have an opportunity to go to college or to continue their education. In addition, the Texas Fence Association helps promote the American Fence Association’s scholarship opportunities and other continuing education programs. This year we have selected three worthy young women who will each receive a \$1500 scholarship to their respective universities. The recipients are Beatriz Lara (Texas A&M), Laura Haffner (Texas Tech), Lauren Juarez (Indiana University.)
